Matted Dogs: In the event of any dog needing a shave down/clip down, the owner should be aware that irritation may occur from the shaving process, as well as clipper nicks, cuts or other potential problems.

The owner agrees that Stamford Dog Grooming and/or its staff will not be held liable for any after - grooming effects of matt clipping procedures or problems "uncovered" by clipping off a badly matted, neglected coat. This could include, but is not limited to the following: itchiness, skin redness, irritations, abrasions or cuts however caused, post groom furunculosis, pyoderma - superficial or deep and/or pyotraumatic dermatitis.

We photograph and/or video every case of neglect brought into the salon for grooming and we also save a sample of fur. We reserve the right to use these items as we deem appropriate.

- In the event it is deemed necessary, I consent to humane matting release
- In the event of a medical emergency arising during grooming, I consent to emergency veterinary treatment.
- In the event veterinary advice is deemed necessary, I agree to initiate this within 24 hours of my dog's groom
- I agree to the Terms and Conditions as set out on the Stamford Dog Grooming website, I note that these may change from time to time and that it is my responsibility to keep abreast of such changes.
